

## **GOLF GENIUS GUIDE FOR DIVINE 9'S**

Updated October 23, 2024

### **HOW DO YOU USE GOLF GENIUS TO KEEP SCORE ON WEDNESDAY PLAY DAYS?**

1. Download the Golf Genius App onto your phone; it is free.
2. To Sign In, do not use email/password. Instead, enter a "GGID" (Golf Genius ID) below the "GGID" wording on the screen and next to the person icon. You will enter the GGID that is listed on the scorecard you are given from the Pro Shop for your team, then press "Sign In".
3. The four people on your team will come up. Select one of them (usually yourself). After each hole played, record the score and press "Save Scores".
4. At the end, you can review the scores with the person who has recorded scores on the scorecard manually. You will have the opportunity to make changes as needed, save your score, and check the leaderboard to see where your team stands.

\*\* For all other actions on Golf Genius, GGID = DIVINE9S for Divine 9 Regular Play, D9INTERCLUB for Interclub events, and D9CLINICS for Divine 9 Clinics.
