

In the matter of McNeill v CP Boulders LLC
Court Reschedules Preliminary Pretrial Conference

Earlier this month, we reported that the Honorable Judge McNamee had issued his order setting forth the upcoming structured litigation process, including the schedule and obligations of both parties before the Preliminary Pretrial Conference set for August 27, 2024. The court's order is posted on the Boulders Members Association website [here](#).

Both CP Boulders' and Corbin McNeill's counsels notified the court they had conflicts with the court's schedule. As a result, the judge has now set the Preliminary Pretrial Conference for Friday, September 27, 2024. The court's order is posted [here](#).

Scheduling conflicts like this are not unusual as attorneys have other clients and other commitments to work around. We will inform you of any other developments. Meanwhile, a great deal of work is ongoing by Corbin's attorneys and advisors to prepare for this conference.

Legal Enforcement Fund

In response to some recent inquiries about the status of the Legal Enforcement Fund, Corbin and his attorneys and advisors say the fund is sufficient at this time. New contributions are always welcome and greatly appreciated. Any unused funds will be refunded.
