The Boulders
Members Association

A message from your Board - BMAC 2.0
"Working to enhance your Boulders Member Experience"

In this email:

- **Proposed amendment to BMA Bylaws**

In preparation for next month's annual election of BMA board members (or BMAC representatives) there are two proposed changes to the BMA bylaws that will be put to a vote immediately.

Keep in mind these key points:

- **BMA Bylaws are NOT the Club Bylaws - these are two separate documents.**
- The BMA Bylaws pertain exclusively to the governance of the Boulders Members Association ("BMA") and the operation of BMAC; they do NOT apply to the Boulders Club.
- The Club Bylaws, which specify member rights, dues, and related matters in a separate document, will **remain completely unaffected** by the proposed amendments to the BMA bylaws.
- There are two changes being proposed to the BMA Bylaws, and both changes require a member vote.
- This is not in any way related to the 2023 effort to provide some Club Bylaws voting rights for non-residents.

- If there is eventually an opportunity to vote on a potential settlement with the owners, this does NOT impact who can vote.

What are the two proposed amendments?

1. **Increase the limit on non-resident members serving on BMAC from 2 to no more than 4.**
Currently, 2 of 11 BMAC members – less than 20% - are non-residents, but about a third of Boulders members are non-residents.

2. **Allow ALL members to vote in BMAC elections and on BMA bylaws amendments.** Currently only memberships that own a Boulders residential lot and memberships who joined before 2008 are eligible to vote in BMAC elections and on BMA Bylaws amendments. This change requires the consent of the Boulders' owner, which has been received.
BMAC believes ALL members should be able to vote for their representatives in BMAC and for any amendments to the BMA Bylaws.

Read the proposed BMA Bylaws, with these amendments in redline so you can see all the changes - click the green button below. Note the voting eligibility change requires edits in multiple sections. There are also minor edits to correct existing numbering errors in the document.

Proposed BMA Bylaws

Tomorrow, BMAC will send a ballot to the primary member of all memberships who own a residential lot and those memberships who joined before 2008 to seek majority approval of these proposed BMA Bylaw amendments. There is only one vote per membership.

Your vote is important!
A 25% quorum must be attained.
Please vote promptly when you receive a ballot.
BMAC requests all ballots be submitted by next Wednesday.

If you are eligible to vote but do not receive a ballot by email tomorrow please notify BMAC at **bmac.boulders@gmail.com** or contact BMA Secretary Jenny Murray directly.
